DEPARTMENT OF SHALYATANTRA

DEPARTMENTAL PROFILE:

Managed by a group of dynamic surgeons, "Shalyatantra" is the department of surgery as the word simply puts it. The department boasts of one fully equipped operation theatres along with an adequate bed capacity backed up with an efficient staff. The Ayurvedic procedures performed here include unique techniques like Ksharasutra, Rakta-mokshana and Agnikarma.

FACULTY PROFILE

Dr. Manisha Bang (Professor)

Dr. Pranav Redkar(Associate professor)

Dr. Rushikesh Kangad (Assistant professor)

MUSEUM:

The museum, collection of the department of Shayla by itself speaks volumes of the hard work and efforts of one and all. The number and variety of specimens kept in the museum are a reflection of the diverse cases handled in the operation theatres over the years.

DEPARTMENTAL STRENGTH:

The department of Shalya deals with different surgeries. This in itself is a unique feature since procedures depicting the specialties of Ayurveda as also the Modern surgeries are covered with an equal ease. All the cases are handled in a manner making it both caring to the patients and at the same time a learning process for all students too. The constant, student friendly learning and teaching methods employed helps in improvisation of students and upgrading of teaching skills used.

UNIQUE FEATURE

Ayurvedic procedures like Kshara sutra, agnikarma, raktamokshana etc. are also commendably performed. Ancient procedures like agnikarma are performed in an innovative manner. Ex. Agnikarma is performed with the help of modified Instrument, a electricity heated shalaka with sensor for measuring the temperature at the heated tip.
